Since the outbreak of Covid-19 pandemic, our industry has faced an unprecedented crisis. Jam On It is taking active measures to protect our guests from this harmful virus. We are closely monitoring government mandates, Centers for Disease Control (CDC) guidelines, and public health advancements and will continue to make necessary changes to our protocols and procedures. These new safety guidelines directly affect the registration process. Please review changes below.

Mandatory completion of online roster registration. All teams registering for an event MUST complete their online roster prior to being accepted into the tournament. Once you register your team, you MUST complete your roster before you will be added to teams in the tournament. Coaches and players AAU numbers will be verified and age of players will also be verified during this process.

All Rosters must be completed prior to coming to the event. There will not be availability of printers at the event this year due to Covid-19. You will need to bring 5 or 6 copies of scoresheets. One will be given to score table at the beginning of each game.

Paperless verification process. Each team is required to have all birth certificates and proof of age, AAU numbers, etc in a binder with them at all times. These binders will need to be produced upon request and when any protest is filed.

Each team must complete and submit electronically coaches and team agreement available on website

ADMISSIONS:

Everyone is strongly encouraged to go to the website and purchase tickets or admissions online, ahead of time. There is a discount for purchasing tickets and admissions online ahead of time. During Covid-19 we are looking to phase out on-site tickets and admissions, this helps with social distancing guidelines.

Spectators may be limited due to state or venue Covid-19 guidelines.

Event passes will not be available, only daily passes will be sold in order to help track numbers of spectators.

Online day passes: \$7/day

Roster Instructions and Information

1. Teams are expected to follow the steps below in order to have completed and verified rosters prior to the event roster deadline mentioned above. Teams should print one roster, and a score sheet for each game per team (6 score sheets should be enough for all events). Teams may incur the following penalties (in addition to the ones stated above) if they arrive to their first game without their roster turned in and score sheets approved by coaches check-in:
 - a. The opposing team will be awarded two points per mistake and the ball to begin the game
 - b. Teams will have until their second game to complete their paperwork or they will forfeit
2. Log into your account on Tournament Connect by clicking the “update rosters” button on www.jamonittournaments.com
 - a. This should be the account you used to register for the event.
3. Using the “teams” tab in your profile, select the team for which you wish to begin building the roster.
4. Click the “add AAU player” button located to the top right of your roster.
 - a. Selecting the event in the drop down menu directly above the roster and to the left of the “add AAU player” button will show if your AAU numbers are being verified and if your players are eligible for the tournament based on the event rules.
 - b. You may choose one of the three offered methods to add players to your roster once clicking the “add AAU player” button. Teams will want to use one of the first two methods, as this will automatically verify the AAU memberships – shown with a green checkmark.
 - i. If teams have coaches/players that have issues with getting the system to verify /accept their AAU membership numbers, they must print out those individual membership cards to turn in with their rosters and enter those membership numbers online manually (third method offered) – this will supplement the online verification in the event the system does not automatically verify the membership and is not meant as an alternative. All membership numbers will still need to be inputted.
5. Coaches can be added using the “add AAU coach” button down to the right of the roster. If you are having issues with the system accepting a coach, you may add coaches via the “contacts” tab – although this will not automatically verify the AAU membership, so AAU membership cards will need to be turned in for those individuals as stated above. **IT IS VERY IMPORTANT YOU DO NOT REMOVE A PRIMARY CONTACT – THIS WILL DELETE THE TEAM FROM YOUR ACCOUNT.** If the primary contact is not a coach, use the “contacts” tab to change their role to a team manager or director.
6. Clubs are required to print and bring one completed and final roster for each team, as well as one score sheet per game for each team. Rosters are turned in to coaches’ check-in prior to the teams’ first game, and score sheets are approved. Use the “print roster” and “print score sheet” buttons above the roster in order to print – remember you must have the event selected from the drop down menu above the roster before printing.

LEVEL GUIDELINES:

What Level Do I Choose? Level I, II, or III?

Jam On It Basketball Academy has developed a system for coaches to choose the proper level of competition to place their teams. We have had many calls and questions regarding coaches looking for direction in what level their teams should be in. To keep teams from “Sand Bagging” and to keep some kind of parity in the divisions, we needed to establish guidelines and special rules.

The main problems we have experienced are teams in level II that should be in level I, having unfair advantages. We have broken down the levels for you below.

Level I- Regular AAU basketball, competitive all-star teams, top of division teams, elite teams, and made up of players from different schools.

- Regular Jam On It tournament rules
- **Teams can press the whole game unless the lead reaches 30 points**, teams may press again when the lead gets below 20
- Clock will run the last 4 minutes of the second half if a team is up by 30pts
- Any team with players that have grade exceptions

Level II- Competitive teams looking for better competition but are not close to the best in their region. Teams may have players from multiple schools. Because of a few older players they may have had to move up.

- Regular Jam On It tournament rules
- **Teams can't press in the first 8 minutes of the game** or if the lead reaches 20 points, teams may press again when the lead gets below 15
- Clock will run the last 4 minutes of the second half if a team is up by 30pts

Level III- Recreational teams, same school teams, or teams that play in rec leagues. Ex: recreation teams from the same rec league, nontraditional starters, players that may not have made their school teams

- **Teams can't press in the first half** or if the lead reaches 15 points, teams may press again when the lead gets below 10
- Clock will run the last 4 minutes of the second half if a team is up by 30pts.

NO Pressing Definition:

Once a team maintains team control in the back court during a live or dead ball situation, the defense must go behind the half court line. 1st violation will warrant a warning. Every violation after will warrant a team technical foul.

Important Division Note: Divisions with no level specified in the division name or combo divisions will play by level 2 rules.

We welcome your comments.

It is at the tournament director's discretion to make any exceptions.
